

SUPPORT US

Your generosity enables us to offer the beauty of music to everyone, from the greatest masterpieces of the repertoire to our chamber music series, and a host of innovative projects.

OUR GLOBAL PRESENCE

Your donation actively contributes to the development of our community at home and abroad, as evidenced by our 58 international tours, 39 recordings and the many accolades received during our 40 years.

NEW GENERATIONS

Your donation will support the next generation of musicians through our Musiciens en Herbe concert series, featuring high school students, the Émergence mentoring program for young professionals, and our concerto competition for young soloists.

LES VIOLONS IN THE COMMUNITY

Thanks to your donation, Les Violons du Roy are able to carry out actions aimed at communities that are not able to attend our performances in concert halls. We do this either by going to their place of residence, such as long term care centres, or by inviting them to our afternoon concerts, free of charge.
